

In 2014-15, Chilton had the highest percentage of students in all of Placer County who scored proficient or advanced on the Science CSTs (97%).

The mission of Chilton Middle School

is to inspire, enable and empower all students to meet high academic and social standards that will prepare them for high school and beyond.

With a strong collaborative partnership between parents and school, Chilton staff will:

- Develop strong relationships with students by knowing their passions, strengths and challenges.
- Teach students to solve complex and meaningful problems.
- Develop 21st century skills.
- Incorporate leadership habits to build student independence and positive peer relationships.
- Foster an environment in which students and staff are safe, responsible and respectful.

"My child has enjoyed the events this year at the school. Science camp was great for her to experience."

-Chilton Parent

WELCOME to Chilton Middle School!

We are excited for another year of learning and growing with our students. At Chilton, we have a smaller enrollment than many other schools around. Consequently, we are as one parent states, "A public school with a private school feel." Our staff works hard to know each student on an individual basis and determining the best approach by name and by specific needs. We look forward to having your family join our Chilton community!

As a STEAM (Science, Technology, Engineering, Arts and Math) focused school, we offer our students a rigorous, challenging and fun environment to learn!

Principal Jeff Ancker

Chilton Highlights:

STEAM - Science, Technology, Engineering, Arts and Math

- Science and math classes with new labs and equipment.
- PLTW (Project Lead The Way)- PLTW students achieve significantly higher scores in reading, math and science. They earn higher GPAs as college freshmen!

PLTW alumni are studying engineering and technology in greater numbers than the national average.

- Chilton is well equipped to support the Arts. We have six pottery wheels, a kiln on site, a silkscreening machine and much more!
- Our school is a technology-wireless campus with SMART technology, iPads, Chrome Books and surround sound.

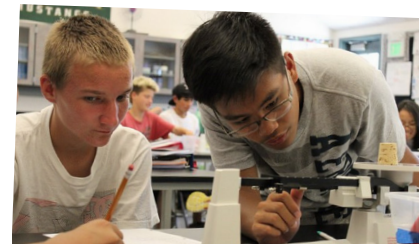

Chilton Clubs:

- CJSF (California Junior Scholarship Federation)
- Computer Coding Club
- Dance Club
- Debate Club
- Foods Around the World Club
- Foreign Language using the Rosetta Stone Program
- Film Club
- Intramural Sports Club
- Karaoke Club
- Ping Pong Club
- Twilight Zone Club
- Ukulele Club
- Writer's Club

Chilton is a member of the FISAL Athletic League and competes against local area middle schools. All athletes have access to top of the line equipment and a 10,000 square foot gymnasium.

Chilton has one of the most outstanding musical theater productions around. Students try out for the production in October and have two performances at the Roseville High School Theater to accommodate the large number of family and friends who come to see the performance!

"My child's instructors seem to promote a positive learning atmosphere. I feel they seek to encourage students to set their standards higher."
-Chilton Parent
